

## COAST TO COAST WALK ACCOMMODATION

In addition to the following non-exhaustive listing of accommodation along the walk, updated information can be viewed on the Cicerone Press website ([www.cicerone.co.uk](http://www.cicerone.co.uk)). Every effort has been made to ensure the accuracy and currency of this list, but inevitably there will be inclusions that are no longer valid, and omissions not yet listed. If you find accommodation not listed below, please let us know, for inclusion on our lists: contact the author through the Cicerone Press website.

If you are an accommodation provider, wanting to be included in our lists, please also contact the author via Cicerone Press., Accommodation which lies a distance from the route of the walk often offer a pick-up and drop-off service; don't be afraid to ask.

There are a number of accommodation-booking companies that offer discounted rooms, but it is invariably better to contact the accommodation direct, to obtain the best rate., If calling these numbers from outside the UK, drop the initial '0', and replace with '00 44'.
